

COSHH ASSESSMENT WORKSHOP

INTRODUCTION

An introduction to COSHH and COSHH Risk Assessment, aimed at managers, supervisors and other key workers who work with or have responsibility for hazardous substances.

This course aims to provide an understanding of the requirements of the COSHH Regulations, the effects of substances on the body, how to undertake a COSHH assessment, the control methods to be used and how to manage COSHH.

WHO SHOULD ATTEND

This course is for all employees in the workplace who manage, use, transport or store dangerous substances.

COURSE DURATION

PFA Consulting offer this course over 1 day.
